

About our nurse practitioner

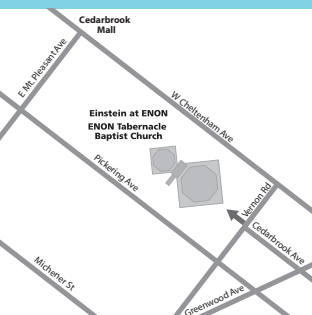

Angela Stewart, CRNP

Angela is a board-certified registered nurse practitioner. She has been with Einstein for more than five years collaborating with physicians to treat patients with cardiovascular problems. While her specialty is treating patients with cardiovascular disease, she is also experienced in diagnosing and treating many primary care conditions. Angela was born and raised in Philadelphia.

About our primary care physician

Denina Helm, MD

Family Medicine

Dr. Helm is board-certified in Family Medicine and has been with Einstein for more than ten years. She is experienced in all aspects of primary care and treats patients from newborn to adulthood. Dr. Helm collaborates with Angela from our Einstein Plaza—Wadsworth practice less than one mile away—in the event you need more extensive primary care. Her practice is located at 1602 Wadsworth Avenue.

Allergies? Flu? Minor infections?

Think fast. Think Einstein at ENON.

About Einstein Neighborhood Healthcare

At **Einstein Neighborhood Healthcare**, we provide quality comprehensive primary care throughout Philadelphia, Montgomery and Lower Bucks counties. To us, healthcare is more than a profession. It's a passion. And it shows in the way our doctors, nurse practitioners and staff take their time with every patient, listen to your concerns and answer your questions. We create a partnership with you and your family to ensure a healthier you.

About Einstein at ENON

At **Einstein at ENON**, we are bringing quality Einstein care to you – at your church. Why wait for hours at an ER for some of your common illnesses, wellness and preventive care – when we treat it here at ENON? That's the idea behind Einstein's care at your church. We know how busy your life is and more importantly how concerned you are about your health. By bringing some of the services to you, we hope to save you unnecessary travel and wait times.

Einstein at ENON – quality and convenience:

- No appointments. Just walk in.
- Open when most primary care offices are closed.
- Most insurances accepted, including Keystone Mercy Health Plan, Health Partners, Aetna and Bravo.
- Connected to hundreds of Einstein's highly-skilled specialists and nationally-recognized medical facilities.

What We Treat

Angela Stewart, CRNP, a board-certified registered nurse practitioner, treats adults age 18 and older. She treats a wide variety of common illnesses and provides wellness and preventive care including vaccines (flu shot).

Einstein at ENON accepts most major insurances. You will be informed if your insurance company can be billed directly, prior to treatment. If we don't accept your insurance, if you are uninsured, or prefer to pay out-of-pocket, we accept cash, checks and credit cards.

Fees range from \$30 to \$60. Additional lab charges may apply on certain services. Our staff can give you more details on the fees.

Common Conditions

Allergies, ear infections, pink eye and styes, swimmer's ear, ear wax removal, mononucleosis, pregnancy testing, suture removal, athlete's foot, cold sores, deer tick bites, minor burns, minor skin irritations and rashes, minor sunburn, poison ivy, ringworm, shingles treatment, wart removal, bladder infections, bronchitis sinus infections, strep throat and flu diagnosis.
