Required Documents RESPONSE TO IRB REVIEW

All instructions, forms and templates can be found on the SHARED drive at the following pathway: IRB_Forms\Human Research Protection Program - IRB Documents

☐ This Checklist

☐ Response to IRB Review (Form 214), signed by investigator.
  
  • To be used when modifications are required to a previous IRB submission

  • A point by point response to the required modification must be provided on either this form or a separate form. If a separate form is used, the investigator must sign and date it indicating his/her acknowledgment of the modifications.

If any of the above is missing, the paperwork will not be accepted or distributed for further IRB review, and will be returned.
