Einstein Care in Your Community

At Einstein Healthcare Network, we are proud to provide exceptional healthcare services throughout the communities we serve. Our extensive network of primary and specialty care practices allows us to offer convenient access to the compassionate care and advanced medicine Einstein is known for, right in your own neighborhood.

Primary and specialty care services in central Montgomery County are provided by Einstein Physicians, a network of physicians, nurses and healthcare specialists who are dedicated to serving patients throughout every stage of life – from infancy to adulthood. Patients seen by our primary and specialty care physicians have access to the entire Einstein Healthcare Network, including Einstein Medical Center Montgomery in East Norriton, PA. Einstein Medical Center Montgomery provides a full range of medical and surgical specialty services such as maternity care, advanced diagnostic testing and emergency medicine.

We invite you to schedule an appointment at any of our primary or specialty care practices by calling the office directly or by calling 1-800-EINSTEIN. You can also schedule an appointment online by visiting Providers.Einstein.edu.
